

12th September 2009

Dear Hojol Uddin & Mary Monson solicitors

I would like to take this time to thank you for all the help with my case and proving the Central Ticket Office wrong by deciding to take me to court over failing to identify the driver of one of my company cars.

I would like to thank you for supplying a competent barrister that made use of the what evidence i eventually provided

I would not hesitate to use you again

Kindest Regards
