TO WHOM IT MAY CONCERN

Mary Monson Solicitors acted for [REDACTED] from February until May over her speeding offences and subsequent Court appearance.

We received consistent service throughout from Hojol Uddin at Mary Monson and have no complaints at all with regard to his services or that of his firm.

He was polite and helpful at all times, and always responded promptly to all my enquiries. He also explained very clearly, the whole way along, what was required of [REDACTED] or what would happen.

Yours faithfully
